

SAINT-DENIS BASILICA CATHEDRAL

The last residence of the kings and queens of France.

The earliest masterpiece of French Gothic architecture, a royal abbey and major pilgrimage site in the Middle Ages, the basilica Cathedral assumed its principal role as the burial place for the kings and queens of France as early as the 6th century. Despite being ransacked during the Revolution, the basilica houses over seventy royal tombs including those of Dagobert, François I, Catherine de Medicis and Louis XVI.
