

CHÂTEAU OF CARROUGES

The art of living in a chateau in the Normandy countryside.

Push open the doors of Carrouges and its 10 hectare estate in the heart of the Normandy-Maine Regional National Park. Enter the grand apartments, testimony to the Norman lifestyle, whose original furniture and incredible collections were assembled over seven centuries by the same family! The Château de Carrouges, which hosted Louis XI and Catherine de Medici and whose lord earned a place in France's legal history with the last duel, is a jewel of Normandy's heritage and a witness to history.

New: in partnership with the Musée de la Chasse et de la Nature in Paris, discover a collection unique in Europe illustrating two centuries of the history and traditions of hunting with hounds in France.

Please note: the Château de Carrouges is undergoing restoration. It will remain open for the duration of the works, but the visitor itinerary may be altered.
