

SAINTE-CHAPELLE

Let yourself be dazzled by the 1,113 stained glass windows in this gem of Rayonnant Gothic architecture.

The Sainte-Chapelle is the finest royal chapel to be built in France and features a truly exceptional collection of stained-glass windows. It was built in the mid 13th century by Louis IX, at the heart of the royal residence, the Palais de la Cité, to house the relics of the Passion of Christ. Adorned with a unique collection of fifteen glass panels and a rose window forming a veritable wall of light, the Sainte-Chapelle gem of Rayonnant Gothic architecture.

New: With the “Vitreaux Sainte-Chapelle” app on your telephone or tablet, zoom in on the Sainte-Chapelle’s stained glass. Download from “stores”.

Designated world heritage site by UNESCO.
